In Partnership with: ACPSEM, University of Edinburgh,  
International Association for Dance Medicine & Science

Reach your key audience with a package to suit you

**Gold £1,000 | Silver £800 | Bronze £500**

Physios In Sport, in collaboration with the International Association for Dance Medicine and Science and the University of Edinburgh, offer a unique regional event for those dealing with performers whether they be on stage, the ice rink, the slopes, the big top, the pool, the arena.

Set in the beautiful Scottish city of Edinburgh with a venue just off the famous royal mile, practitioners from all disciplines - physios, medics, educators, coaches, therapists, scientists and researchers are invited to join the event to discuss the topic of CONTROL.
